

INTRODUCING EASY CHOICE'S NEW PROVIDER PORTAL

You wanted a simpler and more efficient way to interact with us. We delivered. The portal is packed with features to help you care for your patients – our members – to ensure they have a positive health care experience.

The portal features improved member search tools, a more holistic view of member information and some new tools that offer more convenient ways for you to connect with us. Features such as the My Practice area allow provider administrators to manage their users, permissions and access requests. The Visit Checklist feature will enable you to quickly create, print and submit an appointment agenda. Other highlights include:

EASY MEMBER SEARCH

- Search up to 10 members at a time
- Quick view of member eligibility and IPA
