## MESSAGE FOR WELLCARE PROVIDERS

---

Dear Provider:

Thank you for being a valued provider. As we've shared with you, Peach State and WellCare are coming together over the next year. We are committed to keeping you updated throughout the process.

Right now, any relationship you have with WellCare remains the same. During the upcoming Anniversary Date Choice Change Period for Medicaid, here's what you can expect for WellCare members:

- Current WellCare members do not have to take any action to stay enrolled with WellCare and you will continue as their primary care physician or other specialty provider.
- WellCare member ID cards will not change and will remain valid.
- WellCare and Peach State logos are combined in one section on the Georgia Families Comparison Chart.
- WellCare will not be an option for newly eligible Medicaid members. They will need to choose Peach State or one of the other two CMOs.

Thank you for your commitment to our members and partnership over the years. As we move forward, we will keep you updated on future changes.

If you have questions please contact Provider Relations team or visit [www.WellCare.com/Georgia](http://www.WellCare.com/Georgia).

Sincerely,

Sonya Nelson
