What is the overall clinical question that needs to be answered by the requested testing?

Has the member had an evaluation by a psychiatrist? If so, by whom and when? If not - why not?

Has the member had a diagnostic interview? If yes, date of interview? Name and credentials of provider who completed the interview?

Why can't the questions at hand be answered by the diagnostic interview, a review of the member's record, or a second opinion instead of testing?

Has the member had testing before? If so, by whom and when?
