How to Submit an Authorization

There are two ways to submit an authorization via the secure Provider Portal:

Option 1:

Navigate to the “**My Patients**” and search for the desired member. Then open the “**select action**” drop down. Here you will find the “**Request Authorization**” option:

The screenshot shows the 'My Patients' section of the portal. At the top, there are navigation tabs: Home, My Patients (highlighted), Care Management, Claims, My Practice, and Resources. A search bar is present. Below the navigation is a 'Check Member Eligibility' section with a search form containing fields for Member ID, Medicaid ID, Medicare ID, and a date selector. A 'Search' button is at the bottom right of the form. Below the search form is a table with 54 results. The table has columns for Member Name, Member ID, Eligible, Effective Date, Term Date, Plan Name, Care Gaps, Important Info, and PCP. A 'Select Action' dropdown menu is open for the first row, with 'Request Authorization' highlighted in red.

Select “**Request Authorization**” to access the authorization request form.

Option 2:

From the “**Care Management**” tab, select “**Create New Authorization.**” You will then be prompted to enter the associated Member ID.

The screenshot shows the 'Care Management' section of the portal. At the top, there are navigation tabs: Home, My Patients, Care Management (highlighted), Claims, My Practice, and Resources. A search bar is present. Below the navigation is a 'Welcome STE' section with a video player. To the right, there are several cards: 'Care Gaps Report', 'Find Authorizations and Referrals', 'Create New Authorization' (highlighted in red), and 'Create New Referral'. Below these cards are two main sections: 'Find a Member' and 'Authorizations and Referrals'. The 'Find a Member' section is expanded, showing a search form with a 'Search' button (highlighted in red) and a table with columns for Patient Name, Date of Birth, Member ID, and Plan. A 'Select Member' button is at the bottom right of the table.

After advancing to the authorization form using either **option 1 or 2**, the member's information will be prepopulated. You must select a **"Requesting Provider"** by using the **"Choose a Provider"** tool. You will be presented with the option to search for the desired provider.

NOTE: This tool will only return active, participating providers.

Tip:

If you don't know your Wellcare Provider ID or Tax ID, **admin users** may obtain these details within the **"My practice"** section. Navigate to the **"My practice"** tab, select **"manage sub-group accounts,"** then select **"Create new sub-group."** You will be able to view all Provider IDs and Tax IDs associated with this contract (Full screenshots and instructions can be found in the last section of this document).

Member Information COLLAPSE

The following Member is attached to this Authorization

Member Name	Member ID	Date of Birth	Gender	Address	Search a Member

Requesting Provider Information COLLAPSE

The following Provider is attached to this Authorization

Provider ID	Provider Name	Phone Number	Specialty	Address	Choose a Provider

County: Requesting Provider Fax:

Is this a prescheduled service or an inpatient notification? COLLAPSE

Inpatient Notification Prior Authorization including preplanned inpatient

Find a Provider

Select search criteria to find a Provider: ID

Provider ID: OR Provider Tax ID:

Search | Clear Search

1 Records Found

Select	Provider ID	Name	Specialty	Address	County / Island
<input type="checkbox"/>					

Cancel | Select This Provider

Next, insert a valid fax number using the following format: (111) 111-1111. Then make a selection to determine “**Inpatient**” or “**Outpatient**” for the request. Fields within the form will update, based on whether the authorization is identified as inpatient or outpatient.

Select “**Inpatient Notification**” or “**Prior Authorization including preplanned inpatient**” in the “**Is this a prescheduled service or an inpatient notification?**” field.

- Inpatient Notification – **Use for an inpatient/observation request**
- Prior Authorization including preplanned inpatient – **Use for an outpatient request or preplanned inpatient request for a future date of service**

Requesting Provider Information COLLAPSE

The following Provider is attached to this Authorization

Provider ID	Provider Name	Phone Number	Specialty PED	Address	Choose a Provider

County **Requesting Provider Fax ***

Is this a prescheduled service or an inpatient notification? COLLAPSE

Outpatient and Preplanned Inpatient Requests Inpatient & Observation Notifications

Complete the fields in the following sections. For an outpatient authorization, you **must** check the “**View Auth Requirements**” button. (This is not necessary for inpatient authorizations.)

Note COLLAPSE

Note

This action triggers a validation that considers factors such as the member’s specific benefits and all previously entered criteria. The system will return a response of either **“Auth Required,”** **“No Auth Required,”** or **“Vendor Auth Required”**.

You are about to submit a retro authorization.
Review your dates.

OK

NOTE: If you are submitting a retroactive authorization request for a prior date, you will be prompted to confirm that the dates are correct.

Tip:

If the **“Vendor Auth Required”** response is returned, please consult the Quick Reference Guide (QRG) to obtain contact information for the delegated vendor. The QRG is found on the public website. Navigate to **wellcare.com**, choose your state, select **“Providers,”** from the top navigation bar, then select **“Overview”** from either the Medicaid or Medicare menu. On the Overview page you will find the QRG, which references the delegated vendors for specific services.

The screenshot shows the WellCare website interface. At the top, there is a search bar and navigation links for 'Login / Register', 'Contact Us', and 'Help'. The current location is set to 'Florida' and 'English'. The main navigation bar includes 'Need a Plan', 'Members', 'Providers', and 'Corporate'. The 'Providers' dropdown menu is open, showing options for 'Children's Medical Services', 'CMS Health Plan Transition', 'Medicaid Overview', 'Medicaid Claims', 'Medicaid Forms', 'Medicaid Pharmacy', 'Medicaid Quality', 'Medicaid Secure Login', 'Medicare Overview', 'Medicare Claims', 'Medicare Forms', 'Medicare Pharmacy', 'Medicare Quality', and 'Medicare Secure Login'. The 'Medicaid Overview' and 'Medicare Overview' links are highlighted with red boxes. To the right, the 'Overview & Resources' page is displayed, featuring a description of WellCare's commitment to quality care and a 'Resources' section. The 'Resources' section lists three documents: '2019 Provider Manual', 'Quick Reference Guide', and 'Provider Resource Guide'. The 'Quick Reference Guide' link is highlighted with a red box, and its 'Download' button is also highlighted.

All authorization submissions **require an attachment** prior to submission. You may attach Word, Excel and/or PDF documents up to 10 MB in size. Please attach only information that is pertinent to the current request.

Attachment(s) COLLAPSE

Please upload clinical documentation for this authorization request. At least one attachment is required. Attachments are limited to 10 MB.

Select Files *

Note: * Denotes required fields.

Prior to submission, you will be prompted to review your selections, and given the options to “**Edit**” or “**Submit**”:

File Name

Save Draft | **Submit Authorization** | Edit Authorization

A reference number will be provided once you submit the request. An authorization number will be sent to you via fax within state-regulated turn around times. You must use the authorization number to search for this authorization in the Provider Portal.

NOTE: An authorization cannot be viewed via the portal until it has moved to an in-progress state and the fax containing the authorization number has been sent.

There are several types of reference numbers:

ADMNT: This is a notice of admission

CR: This is a concurrent review. After the notice of admission, this is the clinical review that takes place. There can be multiple concurrent reviews for a single stay. Ex. If a member is admitted to the hospital, there will be an initial review and then one or more additional reviews confirming whether the member is ready for discharge.

PA: Prior authorization. This is an advance notice for outpatient services or for pre-planned inpatient services.

Authorization number: This number is required when submitting your claim(s) for payment.

Example of an ADMNT reference number:

Create Authorization

Reference Number: PA-287189

Submission was successful!

Inpatient Authorizations

Inpatient authorization requests require at least one facility to be selected within the “**Servicing Provider Information**” section.

Servicing Provider Information COLLAPSE

Note: Select checkbox if same as the requesting provider

Provider Type *	Provider ID *	Advanced Search	Provider Name	Specialty	Fax	County/Island	Address
Facility		Advanced Search			(111) 111-1111		

CPT codes are not required for inpatient stays when submitting an inpatient authorization request.

NOTE: Observation services cover the act of observation, not a preplanned service.

Inpatient, BH Inpatient, and BH Detox subtypes include a new option: **Outpatient/Observation converted to Inpatient Admission**.

When selected, two new fields replace the **Admit Date** field.

Outpatient/Observation Admission Date and **Inpatient Conversion Date**.

Timely notification of admission is based on **Inpatient Conversion Date**.

Is this a prescheduled service or an inpatient notification? COLLAPSE

How to Save a Draft Authorization

After identifying the authorization request as inpatient or outpatient, you will have the option to save the request as a draft. This draft will remain available for 30 days.

You may edit a saved draft at a later time, however **you may not change the inpatient or outpatient selection**. A new authorization must be initiated if you need to change this selection.

The screenshot shows the 'Create Authorization' form with several sections: 'Member Information', 'Requesting Provider Information', 'Is this a prescheduled service or an inpatient notification?', and 'Servicing Provider Information'. A red box highlights the 'Save Draft' button in the bottom right corner. Other buttons include 'Review Authorization' and 'Cancel'.

The screenshot shows the 'Create Authorization' form with a success message displayed in a blue box: **DRAFT SAVED SUCCESSFULLY. SAVED DRAFT WILL BE AVAILABLE FOR 30 DAYS: TO COMPLETE DRAFT, NAVIGATE TO CREATE AUTHORIZATION FOR SELECTED MEMBER.**

How to Retrieve a Draft Authorization

To retrieve a previously saved draft, navigate to the **“My Patients”** tab and search for the member for whom the authorization was previously saved. Open the **“Select Action”** drop down menu, then choose **“Submit Authorization.”** Next, select the desired draft from the **“Pending Drafts”** panel, and choose from the three available options:

- Edit Selected Draft
- Delete Selected Draft
- Create New Authorization

How to Update an Open Authorization

Navigate to the “**Care Management**” tab and select “**Find Authorizations and Referrals**” to view the authorization status.

The screenshot shows a web interface with a navigation bar at the top containing 'Home', 'My Patients', 'Care Management', 'Claims', 'My Practice', and 'Resources'. The 'Care Management' dropdown menu is open, displaying several options: 'QUICK TIP' (Looking for a specific member?), 'Care Gaps Report' (Review all of your members' open care gaps.), 'Find Authorizations and Referrals' (Search or review recently submitted authorizations and referrals.), 'Create New Authorization' (Start a new authorization request.), and 'Create New Referral' (Start a new referral request.). The 'Find Authorizations and Referrals' option is highlighted with a red rectangular box, and a mouse cursor is pointing at it. On the left side of the dashboard, there is a 'Create Authorizations' button and a 'Member Information' section with a medical icon.

You may search for authorizations by the following criteria:

- Authorization ID
- Member Name and Date of Birth
- Member ID
- Provider ID

A date range search option is available if searching by:

- Member Name and Date of Birth
- Member ID
- Provider ID

Once search results are returned, each authorization has an expandable section that provides more detailed information about that authorization. You may choose to update the authorization by selecting **“Edit Authorization”** from the **“Select Action”** drop-down menu.
